

GNA Junior fiddling mini-camp outline

On Saturday, July 15, the young fiddlers (target age group 8-13) will have:

- Morning workshop with dynamic young fiddle instructors to connect with their peers, practice some tunes that have been worked on prior to the camp, maybe work on a new tune, and generally interact in a fun environment
- A chance to compete (or listen to any of their friends who are competing!)
- an opportunity to get front row seats to listen to the 'Judges' Performance'
- a picnic with their group at lunch time
- a possible short performance with their group on stage, in a relaxed environment
- an after-performance party
- Maybe a chance to do another activity at end of the day (ie: pool or other)
